

## Rocklin Fine Arts Newsletter – March/April 2025

### ***PURPOSE:***

To support the Rocklin community with art activities and exhibits, encourage the participation of Rocklin businesses, schools and artists in the community through exhibits, art demonstrations, lectures, and workshops, and to support local artists, art in public places and art shows.

### ***MESSAGE FROM THE RFA PRESIDENT:***

Greetings! RFA members!

A million thanks to all for an amazing Juried Show! A friend who visited said “Wow! there’s a lot of local talent. The space is magical – you forget about everything else and immerse yourself in the art.”

We have developed an art community! A place where art lovers imagine spirit of community. (I retired from a job in community development)

We were mentioned by the Arts Council of Placer County on their Facebook Page, and it brought tears to my eyes as I read it. RFA has filled a niche for the arts over the last 18 years.

“Big congratulations to Rocklin Fine Arts in Rocklin CA for their fantastic feature on Good Day Sacramento with Sade Browne! This dedicated nonprofit is bringing art appreciation to Placer County through juried shows, student exhibits, and member showcases. Right now, their juried art show is highlighting incredible original works, from paintings and photography to 3D pieces, glasswork, and more.” Catch the interview here: <https://youtu.be/81S62pIwcVs?si=aQpuORixGm02kh3T> And keep an eye out for their upcoming Student Show this spring, open to all K-12 students in Placer County. Later this fall, their Membership Show will shine a spotlight on local talent. Way to go, Rocklin Fine Arts, for creating opportunities for artists of all ages! - in Rocklin, CA.”

Kristi says it best “I would also like to thank everyone who puts so much time, love, and effort into these shows. Not to mention the muscle and sweat. RFA has such incredible people volunteering! It always makes me feel honored to be a part of this group.”

I enjoyed seeing so many members’ artworks at the Juried Show. I wanted to buy so many, but my walls are already full.

The Membership Show and Juried Show are not the only place to get your art out – we have Art Galleries on the RFA Website. If you would like to have a “gallery” of your work on our website, [rocklinfinearts.org](http://rocklinfinearts.org) please email us at [rocklinfineart@gmail.com](mailto:rocklinfineart@gmail.com) for more info. Ms Betty will give you the instructions and your password. [Check our website](#) for some examples!

Your president,  
Linda

### ***THE 2025 ROCKLIN FINE ARTS JURIED SHOW:***

First... Every show, no matter what the size, takes an unbelievable amount of work. We, at RFA, want to take a moment to acknowledge and thank each and every volunteer who made this show a success. Without YOU, there is no show. THANK YOU! We hope we did not miss anyone.

Terry Abell, Sayantifa Adhikari, Cindy Anderson, Susie Bauer, Steven Beckman, Yvonne Carter, Yvonne Cunningham, Royce Cunningham, Leona Dang-Kilduff, Gilda Garrido, Mark Gentry, Robin Gleason, Mike Hooper, Wayne Hopkins, Linda Hoshler, Don Lonsbrough, Janet McClure, Shirley McDonald, Carolyn McNabb, Gary and Sandy Mele, Paula Mitchem, Jaci Muzamel, Lois Owsley, Kathy Ryan, Maria Soto, Jim Thompson, Kari Uhlman, Betty Vendig, Ain Veske, Kristi Warren, Tiffany Waugh and Jo Ellen Werner.

We had great attendance for the Juried Show. Many people came in due to the signs and 2 people came in from Elk Grove because they saw the Good Day segment that Sunday morning. There were many positive comments about “what a great show”, “nice to have this available” happy the art was for sale” also with comments “this will go perfect in my home!”

First time artists were excited when they saw their painting with a ribbon on it. They invited their neighbors and whole family to visit the show. We got comments from returning artists that the show was so well run and organized. Plus, it was a great display of the art.

The raffle baskets were a big hit and people were happy to purchase tickets to help with scholarship growth.

First time volunteers were enlightened by all the hard work that goes into putting on the show and are willing to volunteer again.

And a bus load of Eskaton residents came and enjoyed the show. Their coordinator, Lisa, said many of the residents paint and have wonderful pieces and asked if they could enter the next show.

It was a great show and we thank all who were involved...it takes so many... the city offering us the space, all the organizers and volunteers, the efforts of local media, the artists and all who came to support us and the show!

## *Our March Member of the Month is...*

### *Kari Uhlman*

#### *About Kari ...*

Most recently, Kari Uhlman has joined the Mills Station Arts and Cultural Center (MACC) and is preparing artwork to display there.

Her favorite medium is acrylic painting, however she recently won a Blick Portrait Oil Painting kit and has been trying oils. A trend she is interested in is water-based oil paints. She has purchased them, however hasn't tried them yet.

She knows when a piece is finished because her husband will tell her when it is.

The hardest part of creating a piece is making time to just practice her creativity.

Her days are very structured with occasional Rocklin Fine Arts Sketch Crawls, prayer, and walks with Bayside Church Granite Bay. She balances her time with Google calendar. All routine tasks, from taking out the compost to vacuuming are entered.

When she has trouble with a painting, she will ask her husband for feedback or watches a YouTube video. She has had no formal training.

She prepares for an exhibit by first perusing the artist call and checking her Google calendar to see if she has an existing piece that can be entered or if she will have time to create a new artwork by the deadline. She also needs to look for availability to deliver the art and attend the artist reception, if any.

She promotes her work on Rocklin Fine Arts website as well as [UhltrawomanArt.com](http://UhltrawomanArt.com).

She is from Sacramento. She has an AA Degree in General Design however, her career was in civil service. Her first experience as a professional artist was at Zest Kitchen. She displayed her first painting of a boy with a hula hoop in Kenya. It sold!

She has been interested in art since she was a child. Her neighbor was an oil painter. Her biggest artistic influence is God. He is the Creator. We were made in His image therefore, she practices creativity as a form of worship.

Her life experience as an abuse survivor inspires her to paint vivid and peaceful pieces.

Her most valued skill as an artist is that she is teachable. She favors feedback as a gift.

Her favorite part of being an artist is when her artwork brings joy to others. The least favorite part of being an artist is not having enough time to just endlessly paint.

She believes networking with other artists is important because it has shown her how to look at art with different approaches. Some of her colleagues are very loose painters whereas others are experts at nailing down that hyper-realism she so adores.

## *Our April Member of the Month is ...*

*RFA President, Linda Hoschler*

### *From Linda ...*

Beginning as a child I was involved in all sorts of crafts in 4-H and dabbled in stained glass. It wasn't until watching glass blowing demonstrations all day long at the 1997 California State Fair that I truly decided collecting glass was not enough. I tried glass blowing which led me to fused glass. Stringers, noodles, powders, micas and paint are my favorite glass supplies. I like to experiment with inclusions - from copper sheet and copper wire to gold leaf; and flowers and leaves to ash; as well as reactions between the copper and sulfur ingredients of glass. I've been experimenting with gravity and weight to give dimension in glass. Look at one of my artworks and wonder what is in there?! You might call me a glass snob, as I truly believe you should be able to see through glass art. You can find transparent glass in all of my work as I like the way light can transmit and reflect colors, light, and layers with the glass. I hope viewers understand the work that goes into glass art and can 'feel' the difference between hand-made and factory mold production.

Fascinated by the interactions of color, intense heat, light, shape, texture, chemical reactions and inclusions my glass style is continually evolving as I innovate with glass art and the science of glass. I have enjoyed teaching children about the Science of Glass and encouraging future artists. My work is colorful, unique, and combines mixed media with glass art. Introduced to the ancient craft of Kumihimo, I like to combine unique pieces of opal looking glass jewelry with Kumihimo style beaded braids. I like making 'gem stones' out of glass, so far opals, onyx, slate and carnelian. A beginner at hand-building in clay, I incorporate ceramic figures with my glasswork, like pods of whales or sea lions on an ocean of glass. Ideas often come to me in my dreams!

I like to garden, read, make greeting cards and play with our chickens and koi. I also enjoy road trips, nature walks, and snapping photos—capturing shapes, shadows, patterns, nature, and feelings with my camera. These experiences end up being inspirational in my work. Teaching art and adventures at Camp Sacramento's Senior Camp has been rewarding in creating community, teaching art, and experiencing the art of nature. Although volunteering with RFA is my first priority, I also volunteer with the Art League of Lincoln on the social media team and the Gift Shop team and I'm an Advisory Committee Member of the Placer Repertory Theater. A million thanks to all who voted me Placer Herald's Best of the Best 2024 Local Artist.

Look for me . . .

- ☐ April 26-27 on the Art Studio Trek aka Art & Chocolate

- ☐ November 7-9 and 14-16 on the Placer Artists Tour

Follow me at... <https://www.facebook.com/LindaHoschlerGlassArt/> , <http://www.Lindasglass.com> , and <https://www.instagram.com/LindaHoschlerGlassArt>

My goals – lots of them! — In glass, make 50 ocean inspired works, 50 glass leaves, and create an art in the garden gallery with kiln formed glass —imagine a koi pond, river and water lotus made of glass! Create Monet inspired garden scenes with powdered glass. Also, master photography of glass which is difficult because of the need of light coming from behind as well as sides and front. Master alcohol ink painting and do some mixed media with alcohol ink painting and glass.

Thank you for voting for me!

***NEWSLETTER AND SOCIAL MEDIA:***

Your newsletter will be emailed bi-monthly. **You can email news at any time for inclusion in the next newsletter.** Send all information/events to Jaci Muzamel, [jmuzamel@gmail.com](mailto:jmuzamel@gmail.com). Please make it concise and in an easy format to cut and paste (no flyers or photos for the newsletter).

PLEASE take pictures of your events and gallery showings and email them to Jaci. OR if you post them on Facebook, please tag her so that she can share to our RFA page.

***RFA MONTHLY ARTIST COMMUNITY SHOWINGS:***

**Without our local business partners, we would not have places to display our art so freely.**

In an effort to reduce frequent emails to our members AND ensure that we are getting the word out in different ways, the "Call for Art" for being considered to hang your art at one of our venues will now be posted in the newsletter *and* a sign-up sheet for any vacant spots will be at our monthly meetings. If you are interested in hanging your art, each venue has a contact person and requirements.

One note. You must be a current (paid in full for the year) member to be considered for hanging your art. If you have any questions as to your membership status, please check with Ain Veske, our Broad Member and Membership Chair at 510-331-7207 or email him at [Atveske@hotmail.com](mailto:Atveske@hotmail.com)

We will also now have a small info sheet for each display location to be placed with the art to explain what RFA is all about.

Please take pictures of your work on display and send them to Jaci at [jmuzamel@gmail.com](mailto:jmuzamel@gmail.com) for social media.

◆ **979 Hair Design ... 979 Lincoln Way, Auburn.**

- **RFA Contact ...** Karen Stegeman at [kstegeman1218@gmail.com](mailto:kstegeman1218@gmail.com) or 916-259-4204
- This is a **two-month** exhibit period.
- There is space for at least 14 paintings medium to large sized.
- Paintings are hung by a hanging system like what is used at Rocklin Library. No nails needed. Erika (the owner) will collect any money from sales and give it to the artist at the end of the display period. She does not take a commission.
- You may want to drop by the hair salon to just check out the space available for yourself. (979 Lincoln Way, Auburn, next to the parking lot for the State Theater) Besides hanging artwork there is a shelf to display greeting cards and your business cards.
- If you feel like there is too much space to fill for the amount of artwork you plan to show, you are welcome to invite another artist to join you. Just please let Karen Stegeman know. [kstegeman1218@gmail.com](mailto:kstegeman1218@gmail.com)
- A couple of weeks prior to change over of artwork, the incoming artist will receive a reminder with a document telling them what they need to know about hanging artwork in the salon.

**IMPORTANT NOTE ABOUT HANGING AT THE SALON...**

- We are in need of volunteers to help hang and take down artwork at that venue. The volunteers need to be able to use a step stool or ladder and are familiar with hanging/displaying artwork in a cohesive and professional way.
- The owner of the shop has asked that we provide a helper for each artist if they don't have someone who can help them. It is a two-person job. One on the stool and one to hand up the art pieces.
- Erika would also prefer the change happen on the Monday closest to the first of the month at 11:00 a.m. It's the quietest day of the week and she's always there by 11:00.
- This venue has two-month showings so the change only happens 6 times a year and it should take about 1 – 1 ½ hours to do. If we can have a roster of perhaps 3 volunteers to call on, it would not be a large time commitment for any one person.
- If you are interested, please contact Karen Stegeman at [kstegeman1218@gmail.com](mailto:kstegeman1218@gmail.com) or 916 259-4204
- **Exhibiting at 979 Hair Design:**
  - Feb/March ... Sheila Lee
  - April/May ... Shirley McDonald
  - June/July ... Mary Chris Hines
  - Aug/Sept ... Kathy Ryan
  - Oct/Nov ... Patrick Osborne
  - Dec/Jan(26)...Susie Bauer

- **RFA Contact ...** Tiffany Waugh at [tiffsdigitaldreams@gmail.com](mailto:tiffsdigitaldreams@gmail.com) or 916-316-1142.
- This is a **two-month** exhibit period.
- Please be sure to text a copy of your agreement to Susan at 530-798-3444 and send photos of the completed art set up to Jaci at [jmuzamel@gmail.com](mailto:jmuzamel@gmail.com) for social media postings.

- If you have questions, you can contact Tiffany Waugh at [tiffsdigitaldreams@gmail.com](mailto:tiffsdigitaldreams@gmail.com) or 916-316-1142
- There are openings for displaying your art in May June or July August. If someone wants to sign up feel free to contact Tiffany Waugh at 916-316-1142 and she'll send over the paperwork and requirements!

### IMPORTANT NEWS ABOUT FLOUR GARDEN...

We are looking for someone to take over organizing the Flour Garden Bakery Signups. The volunteer/coordinator must ask for signups, give each artist an agreement with the bakery, be able to meet with the artists at the bakery to help hang the art every two months, take pictures and send to Jaci at [jmuzamel@gmail.com](mailto:jmuzamel@gmail.com) for social media publication. It's easy and fun. Please contact her at 916-316-1142 or email her at [tiffsdigitaldreams@gmail.com](mailto:tiffsdigitaldreams@gmail.com) if you could take this position over.
